POTENTATE

Nobles, Ladies and Friends,

Times are hard dealing with this covid virus and all the political negativity around us. It is easy to become depressed and negative ourselves. As Nobles we must present a positive friendly attitude if we want to keep our image strong and welcoming.

You know how it feels when you sit at the counter of a restaurant and a friendly waiter or waitress walks up, and though the place is swamped, still manages to make time just for you? Some have a knack for showing you are worth something to them. They ignore everyone else for thirty or forty-five seconds. They ask you how you are doing with a smile and maybe with a little smart-Aleck in them, "So what's your story?" "You having' breakfast with me this morning?" "Can I get you some coffee or juice, hon?" Some just seem to know exactly how to show the right kind of familiarity. They will call you sir, man, ma'am, darling, etc. When they sense somberness, they become automatically reverent and invisible helpers to a grieving family. They sense serious business and say to people at the beginning, "I'm Tina. Just give me a shout if you need anything else. I won't interrupt."

The practice of treating people the way they want to be treated requires a keen instinct-- an immediate with-it-ness, some proactive engagement, some empathy, and emotional intelligence. Most Nobles have a sincere desire and profound skill to do good for others and send them on their paths a little better than they found them. With some nourishment, affection, some warmth we can fortify another. When Nobles find ways to affect what kind of day it will be; when we are the determining factors, the deciders, the activists in making entire days better for ourselves and other people; then we will create an image for Shrine that people will take notice of and eliminate any negative connotations of our fraternity.

Sometimes as Nobles we find ourselves blundering. Consideration and courtesies get buried under our individual momentums. We become full of ourselves and powerfully expressive. We shut down our own abilities to see what others around us need. We ignore relationships. We step on people.

The principal precept in medicine is First, not to harm. When we practice to first do no harm, we learn to reflexively put ourselves in check. We look to take no action. We gather as much information as possible before involving ourselves to ensure we do not unwittingly make matters worse. Of course there are certain times when we know immediate, Sullenberger (the pilot of the Hudson River -landing airliner) actions are needed to avert catastrophes, but within the guideposts of routine life, it's often best for us to try to sum things up before taking action.

For our Shrine fraternity and circles of influence to progress with civility and kindness, often we need to slow our responses to ensure appropriateness and make time to demonstrate our sincerity and care for one another. In these hard times the one thing that cannot be taken from us and that costs us nothing is the civility and kindness we can show to those around us. Thank you Nobles, for the positive friendly image you present and all your hard work this year.

Fraternally,

Mike Moore, Potentate

CHIEF RABBAN

In July we were able to get back to Blue Lodge meetings and visit Shrine Clubs. It has been so great to see everyone again, and continue on our important mission.

As has been shared with you, the Sportsman's Raffle is our one and only fundraiser for this year. Ticket sales are extremely important. Please purchase the 5 that were sent to you by mail, and help your club sell tickets to individuals and at local businesses. Over \$1100 in raffle tickets were sold at Theisen's, the business where our raffle prizes were purchased, in one weekend. Mark your calendar to plan to attend the Sportsman's Raffle event on 17 October at the American Legion in Columbus Junction. It will be a great evening of fun, fellowship and WINNING.

Our Friday night Fish Fry's in February and March were a big hit! Join us for the next one on October 3030. Helpers are always welcome, by contacting a Divan member.

Christmas party time is fast approaching. We are looking forward to seeing you at each of the Club events.

Fliers will soon be available for the 2021 Potentate Trip. Now is a great time to get, or update, that necessary passport.

Fraternally,
Reg Hughell
Chief Rabban

ASSISSTANT RABBAN

Greetings Nobles and Ladies,

I trust all of you are staying safe and taking care of yourselves during these troubled and trying times. I have been able to see some of you at club meetings and the few parades that have happened this year. Looking forward to "normal" times soon if there is such a thing anymore. The Nobles of Louisa Co. Shrine Club are helping in having the annual Columbus Day parade on Oct. 10 I hope we can get a lot of parade units and Shriners in attendance. Our annual Sportsman's Raffle is also coming up on the 17th of October, it is are only fundraiser this year so lets make it successful one. As always feel free to call or email me with any questions, comments or concerns. Stay safe!

Yours in faith, Mike Reschly

HIGH PRIEST & PROPHET

With the recent easing of some of the Covid restrictions, it has certainly been enjoyable to start getting out to some of the clubs and units again. I have particularly enjoyed visits with the Fairfield Shrine Club at JEB's Park and the Louisa County Shrine Club at Pugh's Cabin. The generosity of the Nobles who have created these outdoor venues for the use of their Shrine Clubs is simply amazing. I have also enjoyed meeting with the Legion of Honor unit and the Ft Madison Shrine Club. I am also incredibly happy to see that our clubs and units are actively engaged in selling tickets for the Gun Raffle coming up in October. After so many months of restrictions, the money that Kaaba receives from the sale of these tickets is more important than ever.

Those of you who were unable to attend the Potentate's Ball in Riverside this year, you missed a great couple of days of fun and hospitality. I am only just now starting to realize the amount of work and planning necessary to put such an event together, let alone having to change the date at the last minute due to the pandemic.

Now that our Blue Lodges can start doing degree work again (following the new guidance from the Board of Custodians), I'd like to encourage all of our Nobles to be more visible in their Blue Lodges not only in recruitment, but also in helping out with the degree work. I have spoken to several Nobles who, after being recruited by a Shriner, did not see him again until after he was raised and was then presented with an application to join the Shrine. I am sure that most of you know by now but there will be a Grand Master's One-Day class in Des Moines on Oct 24th and the deadline for applications is rapidly approaching (Oct 14th).

NOVEMBER 4TH KAABA STATED MEETING

DECEMBER 2ND KAABA STATED MEETING
ELECTION NIGHT

Greetings Nobles,

Several years I wrote an article for the Kaabagram and it as meaningful today as it was then. As we go about our daily routines whether at work or play, we must be mindful in how we are viewed by the public, co-workers, and friends. When we leave a Lodge meeting we remove our physical apron, however we are still symbolically wearing that apron when we go home and about our daily lives. The same goes when we remove our Fez and place it in its case. People still view us as Masons and Shriners, and how we comport ourselves among the public and how we carry on with each other in the Fraternity should always be on our minds.

We have all taken some very solemn and serious obligations in our journey in Masonry. We should all try to live the tenants of Brotherly love, relief, and truth every day. If you have a problem or issue with a Brother or non-mason, then by all means in privacy work it out, not in the view of the public. Furthermore if any Brother observes a problem or issue he should do what he can to diffuse and mediate.

Our Fraternity is facing more problems every day, do we really need to add more.

July 11, 2020

Beginning in 1973, Blackhawk Shrine Club and volunteers from all over the States of Illinois, Iowa and a few from Missouri were serving in the food tents of the PGA tournaments held in Scott and Rock Island County. As the volunteers joined together with the Nobles we raised several hundreds of thousands of dollars for the Shriners Childrens Hospitals over the years and developed lasting friendships.

In the early 1990's, some volunteers from the Cambridge area joined our work force and returned each year there after. Their last names were Carey and Swanson. The youngest worker in the group was Jake Swanson, a patient at our hospital in Chicago. His Mom and Dad brought him, along with his Grandparents and Uncle Bryan from Davenport. Needless to say, they were all hard workers and joined us every year. Yes, there were hundreds of volunteers who set aside their days in the summer to support the Shrine in this project, just for their meals! Every year, when it came time to organize our workers for each tent many of the same people would come forth.

Jake was always eager to help where he was needed and only a few of the Nobles knew he was a patient. As a student wanting to play in the sports program of his school, it was a true handicap to have one leg shorter than the other and the Shrine Hospital was working to correct that problem. In Jake's high school years he was able to qualify for varsity basketball, because his legs were finally the same length. Some of Kaaba's Nobles attended his home games and cheered him on.

Grandpa Swanson passed away recently and the families wanted to show their appreciation for the transportation the Shrine had provided for Jake through the years. Bonnie, Randy, Grandma Wilma and Jake Swanson made a special trip to Kaaba, July 9th 2020, to express their thanks and present the checks, for all the Shrine has done for this young man. We're very proud to see the success he has accomplished!

TUN TAVERN

Tun Tavern was a tavern and brewery in Philadelphia, Pennsylvania, which was a founding or meeting place for a number of notable groups. It is traditionally regarded as the site where what became United States Marine Corps held its first recruitment drive during the American Revolution. It is also regarded as one of the "birthplaces of Masonic teachings in America."

In 1732, the tavern hosted the first meetings of St. John's Lodge No. 1 of the Grand Lodge of the Masonic Temple. The Masonic Temple of Philadelphia recognizes Tun Tavern as the birthplace of Masonic teachings in America. In 1747, Tun Tavern became the founding place of the "St. Andrew's Society, which like the St. George's Society, help newly arrived Scottish.

According to tradition (all Marines know), Tun Tavern was where the United States Marines held their first recruitment drive. On November 10, 1775, the Second Continental Congress commissioned the innkeeper and former Quaker, Samuel Nicholas a Masonic leader, to raise two battalions of Marines in Philadelphia. The tavern's manager, another Masonic leader, Robert Mullan, was the "chief Marine Recruiter." The first Continental Marine Company was composed of one hundred Rhode Islanders commanded by Captain Nicholas. Each year on November 10, proud U.S. Marines worldwide toast the memory of this colonial inn as the officially acknowledged birthplace of their service branch. The earliest Marines were deployed aboard Continental Congress Navy vessels as sharpshooters because they were typically recruited as outstanding marksmen.

This Masonic center derives its most significant mileage from its association with Benjamin Franklin, most prominent American of his time and pioneer of the united continental struggle for independence. The Tun Tavern came to be identified with vivacious personality of this great leader and his works as an author, diplomat, politician, Masonic Scholar, and civil activist.

Thanks to Franklin's efforts, the Masonic center played an important role during the American War of Independence. He hosted Thomas Jefferson and George Washington at the lodge a number of times that shaped the struggle for freedom and course of a new nation. Prominent leaders and statesmen met at the tavern during the first and second Continental Congress held in Philadelphia.

Tun Tavern was witness to the historic efforts by Franklin and others like him to bring all colonies under a single entity, steer public opinion on independence, and seek a long standing order free from dominance.

Some facts on Chuck Norris

When Chuck Norris was in middle school, his English teacher assigned an essay: "What is courage?"

He received an A+ for turning in a blank page with only his name at the top.
