POTENTATE

REGINALD L. HUGHELL

Hello Nobles!

I'm honored and proud to serve as your Potentate this year, as I start my 26th year as a KAA-BA Shriner . Serving as a Divan member has given me a greater understanding of the Shrine world. I have had the opportunity to meet Shriners from all over the United States, as well as other countries, while doing the great work we Shriners do.

The calendar is beginning to fill for 2021. In February we will have my Potentate trip to Cancun, Mexico. My Lady Diana and I are looking forward to spending time with all who are able to visit beautiful Moon Palace with us. Friday, February 19 will begin our fish fries during Lent. These will be held each Friday night, with the final night being March 26. Last year the fish fries started off strong and were a good fundraiser for KAABA but then, as we all know, COVID changed all of our plans. This is a fun community engagement activity. Please let a Divan member know if you are available and interested in helping with this project.

In March Chief Rabban Mike Reschly and I will be attending the Central States Shrine Association (CSSA) Business Session in Oklahoma City, Oklahoma. Since it was canceled last year due to COVID this will be a new experience for me. At this meeting the voting membership will vote for and install Illustrious Sir Past Potentate Todd Gullickson as 5th vice president for CSSA . It is a great honor for Todd, and all members of KAABA, for Todd to serve in this capacity. Due to the rotation used for selection of these nominees it will be 21years before a KAABA member has the opportunity to be nominated again. This commitment will be a 6 year journey for Todd and we are proud to have him represent us in this capacity.

CSSA 2021 will be held in Oklahoma City, Oklahoma this year from August 19 - 21. More information to follow as we receive it. The Imperial Session will be held in Houston, Texas July 4 -8. Watch for more information on this event.

Parade season is fast approaching.. Get your units ready to roll. So we can have "Fun in 21".

Black camel continues to hit us very hard. Let's see if we can all have a few petitions in our pocket and search out some good men to become the next new Nobles.

I look forward to seeing all of you at Stated meetings, Club meetings and parades..

Illustrious Sir Reginald L. Hughell.

The Black Camel
Honoring those who have gone before us
"In Memory of Our Departed Brother Nobles"

*When Allah calls, then our friends obey and fold thier tents and steal away.
 To the land where the crystal waters flow, where the Beautiful Palms of Allah grow.
 Life is a story in volumes three, the past, the present, the yet to be.
 The first we've written and laid away, the second we're reading day by day,
 The third and last of the volumes three, is locked from sight - God keepeth the key.*

Shrine Corn Song Puts Iowa on Map

IOWA CORN SONG

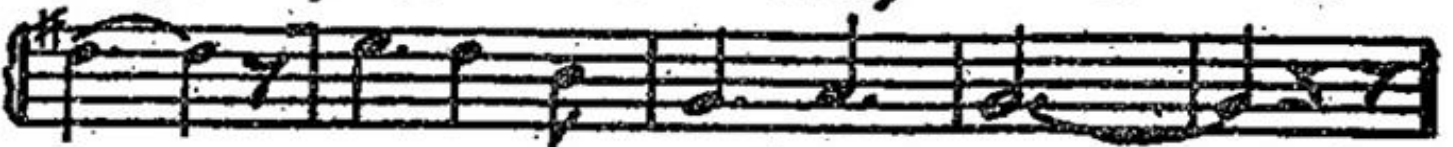

We're from I - o - way I - o - way,

Oh it's Simply Grand In that Fine Old

Land, We're from I - o - way I - o -

Way That's Where the Tall Corn Grows -

While the Shriners are in Des Moines, they have one song that has become a "national Shrine anthem" to them.

Band after band marched through the streets Tuesday morning, playing the famous Iowa corn song as they went.

When the parade was held

up temporarily, and the bands stopped marching, they would strike up the Iowa corn song.

Des Moines people know it, the Shriners know it, and Iowa people visiting her now know it.

It is the song that is putting Iowa on the map.

"That's where the tall corn grows."

NEWS FROM SHRINERS HOSPITAL CHICAGO

2020 Successes

Shriners Hospitals for Children in Chicago was the first provider in Chicago to offer a new, lightweight prosthetic partial hand for teenagers. We were the first to offer the carbon fiber technology that is specifically designed for children. The fingers are activated

Shriners Hospitals for Children — Chicago recently received funding from the National Institutes of Health (NIH) to extend the Brittle Bones Research Consortium, a study of adults and children with osteogenesis imperfecta (OI), a rare disorder that causes bones to break easily. These individuals have been tracked annually for medical procedures, treatment, and testing – many since 2010.

Four of the 12 centers participating in this multimillion-dollar research project are our locations in Chicago, Illinois; Tampa, Florida; Montreal, Quebec, Canada; and Portland, Oregon, along with medical institutions such as Baylor University, the Kennedy Krieger Institute, and the Hospital for Special Surgery.

“We are enthusiastic about the opportunity to learn more about this rare disorder and share information through research and publications to improve care,” said Peter Smith, M.D., principal investigator at the Chicago Shriners Hospital.

Some Chuck Norris Facts

Chuck Norris can build a snowman out of rain.

Chuck Norris was once on Celebrity Wheel of Fortune and was the first to spin. The next 29 minutes of the show consisted of everyone standing around awkwardly, waiting for the wheel to stop.

Chuck Norris' dog is trained to pick up his own poop because Chuck Norris will not take shit from anyone.
