POTENTATE'S MESSAGE

Greetings Nobles,

It has been a busy and productive nine months of the year! From Imperial Session to hosting the CSSA Ceremonial, along with numerous club and unit meetings and even a picnic thrown in for good measure, it has certainly been a busy year.

I put out a challenge to anyone who could be the top-line signer of five new Nobles: we would pay their lifetime hospital dues. I am proud to announce that Noble Klay Kilpatrick has achieved that goal! Congratulations, Klay! There is still time for others to step up and achieve this goal as well.

Parade season is still going strong, and it has been excellent seeing everyone out and about, representing Kaaba and the Fraternity. Thank you to everyone who has participated and helped showcase our Shrine throughout the parade season.

As a follow-up to our decision not to go dark this summer, I am happy to report that it was a success overall. Because of that success, a bylaw change has now been submitted to Imperial for approval at the next Imperial Session. The goal is to officially eliminate the requirement for Kaaba to go dark during the summer months and allow us to continue the great work we are doing throughout the year.

A few other follow-ups:

We had the opportunity to take one of our newest Nobles, Dan Lansing, to Imperial Session and have him on stage to be Fez'd. It was a great way for Kaaba to be represented on a national stage, and I know it created a wonderful memory for Dan.

The CSSA Ceremonial was also a great success. Every Noble who participated on behalf of Kaaba represented our Temple and the Fraternity extremely well. I have received nothing but positive feedback from other Temples, and I want to thank everyone who helped make the event such a success.

Our Potentate's Ball on August 8th was another smashing success! Thank you to everyone who attended and helped make the evening such a memorable event.

Thank you all for your continued dedication, support, and hard work. It has been an incredible year so far, and I look forward to everything we still have ahead of us.

Please enjoy the season, stay safe, and remember that if you need anything at all, do not hesitate to reach out to me or any of the officers. We are all here to help.

Fraternally,

Merle McClain

CHIEF RABBAN'S COMMENTS

To the Nobility of Kaaba Shriners: We only have 1 more quarter remaining in this year.

We have experienced some highs and lows, but overall, I believe that we, as Shriners, have done more positive things than negative ones. To those of you that came and participated in CSSA activities, I know that it went well, with the help of everyone that worked and made it a success. Thank you for your help.

We still have the Sportsman Raffle to complete, so get out and sell those tickets, I know that some have a problem selling items, but I ask you to try to do your best to make this event a positive one. Al-

so, please try to attend the night of 31 October 2026 for the drawings of the items listed on the tickets and also for the side drawings. Those items are donated by Kaaba Clubs and Units and other individuals and are always fun to try win. Remember that the winner gets a gift card to spend for either that gun won or any other purchase in the Scheels store. The food is always good and with any purchase of a gun raffle ticket, you can receive a free meal. So, if you have not sold or returned the tickets you got in the mail, please continue selling them. It is never too late to get involved with a fund-raising event for the Shrine.

In my last article for the Kaaba-Gram, I noted that I had cataract surgery in April. Just an update, things went well and I did not have any major problems. Thanks to all for your thoughts, inquiries and prayers during that time.

For those who came to the Temple for the monthly meetings that we were normally dark, thank you. We still had a fellowship night with food and conversation and enjoyed the camaraderie of being Masonic Brothers.

As Fall and Winter approaches, outdoor activities are starting to slow down, but we still have several parades to participate in and make communities aware that we are active.

As we continue to seek new members, let us not forget those members who have not been seen at Blue Lodges or the Shrine, try and make contact with those Masonic Brothers and encourage them to return to become a valued part of our organization.

I request your support as we work through the rest of the year, let's all work together and keep Kaaba Shriners an organization to be proud of.

Assistant Rabban

Nobles,

Over the past several months, I have had the privilege of working with our Chief Rabban, Tom Hodges, to help reestablish the Kaaba Shrine Hospital Dads program. This is a program that means a lot to me, and I truly believe it is one of the most important things we do as Shriners.

Our Hospital Dads volunteer their time to transport children and their families to and from Shriners Children's hospitals for surgeries, therapy, appointments, and follow-up care. Sometimes it means an early morning or a long day on the road, but knowing that we are helping a child and their family makes it all worthwhile.

Right now, we could really use more Hospital Dads, especially Nobles who are willing to help with driving. But you don't have to be a driver to be part of the program. We would love to have you join us and help with future activities and support the Hospital Dads program in any way you can.

If you are interested in becoming a Hospital Dad or just want to learn more about the program, please reach out to Chief Rabban Tom Hodges or me. You can also stop by the Kaaba Shrine Office and fill out a form.

I also want to take a moment to say thank you to all the Nobles who came out in August to help with CSSA and the Kaaba Shrine Picnic. It takes a lot of people volunteering their time to make these events successful, and your help was greatly appreciated.

Thank you to everyone who continues to give their time and support to Kaaba Shrine and our Shrine kids. I hope to see even more of you get involved with the Hospital Dads program in the months ahead.

Fraternally,
Tom Hansen

MESSAGE FROM HIGH PRIEST & PROPHET

HIGH PRIEST & PROPHET

Greetings Nobles

By now you have all heard that during our September Stated Meeting I have been appointed as your High Priest and Prophet for the remaining of the year. It is a great honor and privilege that our Potentate and the nobility have placed confidence and faith in me to serve as your High Priest and Prophet. I am looking forward to attending the Shrine Leadership Conference this October to better understand my responsibilities in assisting our Potentate, the rest of the Divan, and you the nobility in making Kaaba great.

As the year is winding down, remember we still have our major fundraiser, the Sportsman's Raffle, at the end of October. The office has sent everyone a booklet of ten (10) tickets. You do not have to buy all the tickets in the book yourself, get with your neighbors, friends, or whoever and try selling them. Who knows, you might come across a person who might be interested in becoming a Shriner. If you need more tickets reach out to the office and they will send you more.

Thank you for supporting Kaaba, the Shriner's fraternity and its children. If you have any questions or need anything, feel free to contact one of the officers or myself.

Fraternally,

Sam Burnett

MESSAGE FROM TREASURER

Greeting Nobles,

Parade season is winding down but what a great season we had!!

From the Divan side, we now move into budgeting for next year. It's important that time is taken to review incomes and expenses making sure we remain good stewards of KAABA funds. As always, it is helpful that all Brothers pay dues on time along with clubs and unit fees. We should have all received our renewal by now so please take this time to send in your 2027 dues today!

I have been absent the past couple Stated meetings and Divan meetings due to a prior commitment. I wish to thank the rest of the Divan for picking up my slack while I'm away. I'll be back in full force in November.

Fraternally,

Tim Elliott
Treasurer

MESSAGE FROM RECORDER

Greetings Nobles, the long "hot" days of summer are behind us and the "cool" days of autumn are upon us. Just a few more Parades to go. I hope you all had a chance to participate in at least one parade this year.

Our next focus is the Sportsman's Raffle on October 31st. We'd like every Club and Unit to contribute a prize or a \$75 contribution to purchase one. This is our biggest fund raiser for the Temple, and it only succeeds if everyone contributes. Get out there and sell those tickets. The Potentate has agreed that if we NET \$25,000 or more Kaaba will pay the Club and Units' insurance for 2027.

The raffle will be held in Columbus Jct at the American Legion. In addition to the raffle prizes, we will have a Silent Auction, a Live Auction, a Mystery Gun drawing, a 50/50 drawing, and don't forget the wildly popular "Mad Hatter". Any tickets that you haven't sold bring them to the raffle.

Lastly, this Kaabagram includes a list of Nobles who are lost in the desert. They are currently in Arrears for 2025 and 2026 and according to Imperial by-laws will be dropped from the rolls for Non Payment of Dues. If you recognize a name on the list, please contact him. We also have a number of Nobles who have not paid their 2026 dues. You may have also received your 2027 dues notice, which includes a \$4 increase. This is the Greatest Philanthropy in the world. I'm proud to be a Mason and Shriner and I hope you are too.

Until we meet again "Be Safe"

Nobles,

For more than a century, Shriners have proudly supported the Shriners Children's East-West Bowl. What began in 1925 as our organization's first sports initiative has grown into one of the most recognizable college football traditions.

Today, I am excited to share another important step forward for this historic event. Following the 102nd Shriners Children's East-West Bowl on Thursday, February 4, multiplatinum, award-winning country music singer Jordan Davis will take the stage at AT&T Stadium for a full-length postgame concert. Davis has 11 #1 singles and nearly 10 billion global streams.

Tickets are on sale now at ShrinersBowl.com, and every game ticket includes admission to the postgame concert. Fans can elevate their gameday and concert experience through several VIP packages. Miller Lite Field Club (South) and Bank of America Field Club (North) provide fans with a front-row concert experience on the field and access to purchase premium food and beverages. An additional VIP Founders Club experience is available in Section C210, featuring all-inclusive

Kaaba Hospital Dads' Club.

Kaaba Nobles, this is a call for action for all individuals interested in driving, riding or just wishing to participate as a member of the Hospital Dads' Club to come to a meeting on November 1st at 1 PM at the Masonic Center, Davenport, Iowa. If you wish to take part but cannot, let me or Assistant Rabban Tom Hansen know and we will try and set up a video conference call. Nobles, please bring your Ladies along to this meeting as they can ride along to appointment locations, but only Shrine Nobles are allowed to drive the van per Imperial and insurance regulations.

Some background: the Hospital Dads' Club has not been active for a few years. Ill Sir McClain directed Assistant Rabban Tom Hansen and me to take positive action and get this Club active again. New operational procedures and By-laws have been written.

These need to be approved by the membership, (yet to be established). If you wish to become a member, you will have to provide selected information about yourself such as your driver's license number, pass a physical exam and some other info. The Club needs to elect officers for the next year as described within the By-laws. Note: these jobs when performed properly are easier than most Lodge Offices.

As part of this Club, we are required to provide to the Temple's vehicles insurance company, the information noted in the previous paragraph. We, as drivers, transport very precious cargo to and from approved locations, so some information must be sent to the insurance company to provide proper insurance coverage and drivers must also be vetted thru Kaaba. People, going as riders only, must be vetted as well.

If you need to discuss or have questions, please see, call, e-mail me or we can talk when visiting your club or unit meetings.

Thomas Hodges PP

FROM THE DESK OF THE FIRST LADY

Ladies

As we approach the fall, we can look back with pride at what has been accomplished this year. We had a great turnout with the fish fries and surpassed the amount we made last year. We have gotten almost all the challenge coins sold, there may be 100 or so left, and we will have the drawing when those are gone. If you know anyone who wants one or if you need one, let the office or any of the officers know. Those of us who went to Imperial enjoyed a great lady's luncheon and fellowship with other Shrine ladies throughout the world. Shrine Bowl, as always, was great fun. At this time, I do not know how much the kids earned this year, but I know at Imperial this year, Kaaba presented a \$160,000 check from last year's Shrine bowl to Imperial. CSSA was a great success, many compliments were given for how well things went. The lady's luncheon was fantastic with a great program. We also got to watch two of our nobles Illustrious Sir Bill Juhl and Illustrious Sir Mike Chapman repel down the side of the Blackhawk hotel as part of a fundraise for Big Brothers/Big Sisters. They made it down uninjured!! The nobility ball was a lot of fun and we had a great turnout from other temples as well as our own. We just completed our Shriner Appreciation Day picnic hosted by Merle and myself at Clarks Ferry Campground shelter and a good time and great food was had by all. There are a few more parades this year, and on October 17, I am having a trip to Amana leaving at 8 am from the temple for a fee of 45 dollars which includes transportation and the meal at the Ronneburg restaurant. If you are interested, I will have sign-up sheets at the next two Stated meetings, also you can let me know.

Here is the link to the Amana trip as well as a QR code [Kaaba Ladies Trip](#)

I have posted on face book on the Kaaba 2026 site fundraising venues for snacks, etc to help with my Ladies Project of refinishing the Silent Messenger who is getting a little rough around the edges. Please try to sell some. If anyone has ideas for other fundraisers, please let me know. Again, thank you for all the support this year and, the year isn't over yet. Please come and join us at the monthly meetings and feel free to contact me anytime.

Celebrating Job's Daughters Bethel No. 5

We are excited to share some good news from the Masonic youth family! **September 13–19, 2026, has been recognized by the Bettendorf Mayor's Office as Job's Daughters Bethel No. 5 Week.** This recognition celebrates the return of Bethel No. 5 and the young women who are working to build it into an active and growing Bethel once again.

Job's Daughters International was founded in 1920 and is a Masonic-affiliated organization for young women ages 8–20. Through Job's Daughters, members develop leadership and public-speaking skills, learn to plan and run meetings and events, participate in community service, and—perhaps most importantly—build friendships and confidence in a supportive sisterhood.

Our Davenport Bethel has recently rechartered, and **our biggest goal right now is membership.** We want to introduce more families to Job's Daughters and give more young women the opportunity to experience everything the organization has to offer.

Job's Daughters also has a special connection to the charitable work of the Masonic family through programs such as the **HIKE Fund**, which helps children with hearing needs. Locally, our Bethel is looking forward to finding additional ways to serve the Quad Cities community and work alongside our Masonic organizations.

This is where our Masonic family can help. If you have a daughter, granddaughter, niece, neighbor, or family friend between the ages of 8 and 20, please tell her about Job's Daughters. We even have virtual membership options! You don't have to know anything about the organization to get involved—just being willing to learn more is a great place to start.

We would also love to connect with **Masons, Shriners, and other Masonic family members who would like to support our Bethel**, whether through volunteering, helping with activities, inviting us to participate in community events, or simply spreading the word.

Bethel No. 5 is rebuilding—and we would love to have you be part of that journey.

Central States Shrine Association Annual Ceremonial Rec

This August, Kaaba Nobles and their Ladies played host to the Central States Shrine Association (CSSA) Annual Ceremonial Session here in the Quad Cities. We had over half the Temples within the CSSA present for the ceremonial that lasted four days of fun activities, fellowships with friends, and making new friends.

On Wednesday, Nobles started arriving and checking into the different hotels throughout the Quad Cities on both sides of the Mississippi River. That night friendships were rekindled and new ones formed either during dinner or at the different hospitalities that ran to the earlier morning hours. For some like the CSSA Officers/Past Presidents, and Divan members from the different Temples it was during their Counterpart Dinners

Thursday was the first full day of activities, mostly business meetings by the different associations prior to them having their competitions. In the morning things started off with the Marketplace opening for patrons to purchase items from the different vendors at the Mississippi Valley Fair Grounds. The Annual Golf Tournament was held at Glynn's Creek Golf Course in Long Grove, Iowa. Our Noble Dan Lansing and Noble Dennis Renfrew played in the tournament. Dan even won the closest to the pin competition by sinking the ball on a 10-yard chip shot off the green. The Provost Marshal Association held their Trap Shooting Competition, Pistol (Non-Trap) Competition at the Milan Rifle Club in Milan, Illinois, and the Shotgun Competition at the Bi State Sportsman's Club in Colona, Illinois which was held after conducting their annual meeting. The Central States Shrine Legion of Honor (CSS-LOH) started their day by performing their Annual Necrology Ceremony recognizing the departed members throughout the year. The ceremony was followed by CSS-LOH having their annual meeting and installation of officers where Noble Derreck Sander of Abou Ben Adhem (Springfield, Missouri) was installed as the Commander for 2026-2027 year and Noble Sam Burnett became Junior Past Commander. While these activities were taking place the ladies had their Ladies Luncheon at the Blackhawk Hotel (Host Hotel). The afternoon hours saw more meetings taking place by the Parade Marshal's Chief of Staff Meeting, the Central States Association of Shrine Motor Corps (CSASMC) business meeting, and the Central States Shrine Clown Association (CSSCA) business meeting with their Balloon competition following at the Stoney Creek Hotel in Moline, Illinois. After the completion of all meetings scheduled for Thursday, it was time for some serious socializing at the Pub Crawl held at bars throughout the Quad Cities.

Friday was the day when majority of the competitions took place. The Motor Corps held their competition in the east parking lot of the Mississippi Valley Fairgrounds, and the Drone Competition was in the Fair Building at the Mississippi Valley Fairgrounds. The Keystone Kops held their competition on the west side of the Mississippi Valley Fairgrounds. The Provost Marshal Association finished their competition by having their Pistol Clay Shooting competition at the Milan Rifle Club. The Clown Association had their competition at the Stoney Creek Hotel. In the afternoon our Hillbilly Clan 103 performed the Hillbilly

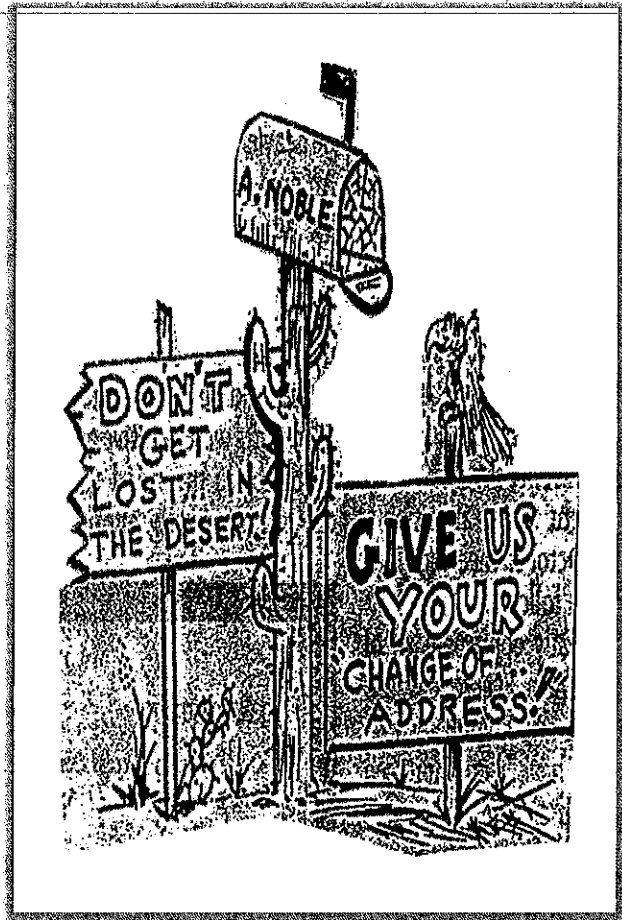

CONTINUE ON NEXT PAGE

Degree for those Nobles and Ladies who wish to be Hillbilly. Thank you goes out to Noble Dennis Renfrew for organizing this degree. On Friday evening the Provost Marshal Association and the Motor Crops Association held their Banquets to present their awards. During the Motor Crops Association banquet, Kaaba received three trophies from the competition that was held earlier. Noble Lindy Wood received 2nd Place and Jim Goetsch received 3rd Place in the Car Show Special Category event and the following Nobles: Sam Burnett, Gary Eckhart, Tom Hodges, Dan Lansing, Nat Stone, and our Potentate Merle McClain received 1st Place in the Obstacle Course Multi-Wheel Small.

Saturday being the last day of scheduled activities for the Fall Ceremonial saw Nobel's and their Ladies doing last minute shopping at the Market Place. The major event of the day was the annual Shriners Parade held downtown Davenport. This year Kaaba was in front of the parade after the Imperial Officers and CSSA Officers. The Kaaba Legion of Honor served as the Color Guard with the assistance of 3rd International Commander Dean Cook (Abou Ben Adhem Temple). The on-lookers at the parade were amused with the different variety of Shrine vehicles and parade units that were in attendance. After the parade Kaaba hosted the after-parade celebration at the Micky's Irish Pub in Davenport. That evening there were a few remaining association banquets held by the Keystone Kops, and the Clown Association. Once all the scheduled activities were concluded, it was time for the last night of hospitality taking place about the different hotels where everyone got together for the final time until we all meet again next year or at another Shriners event.

Mark your calendars now for next year's Central States Shrine Association Annual Ceremonial will be held in Branson, Missouri during September 8th through September 11th, hosted by Ararat Temple. You have plenty of time to get your parade vehicles ready to join us in the fun. If you have any questions concerning how you can participate in any of the different associations' activities contact
